Equipment Storage	<p>Agreement in principle from both Hackney and GLL. GLL have reconsidered the proposal to charge us £1000 a year for access to storage.</p> <p>Thank you John! We think this will help us use storage as a real positive for CCC and for access to paddling.</p> <p>Pete will draft a letter to Ian Holland outlining what good works we can sign up to - drawn from our previous discussion – for us to consider.</p>	
Membership for 16 - 18's	<p>Kate reports that we may need to change our affiliation with BCU to “senior club with junior section” – at extra expense – if they consider 16-18's as Junior.</p> <p>Additionally we would need to consider GLL's requirement for extra safety cover for under juniors.</p>	<p>Kate to check whether 15-18's are deemed “Junior”.</p>
License Agreement with GLL	<p>The committee is happy with how the agreement is shaping up and will recommend to the club.</p>	<p>Dave and Regina to discuss further.</p>

	<p>Expand use of social media? For the next committee to discuss</p> <p>Pitch Lines heist: GLL polo pitch lines have been returned.</p> <p>Some of us can volunteer for upcoming sessions but we need to make sure it doesn't keep falling to whoever is there on time, as it tends to always be the same person. Adam Mankin has done too many recent inductions and whilst he does a great job its not fair on him.</p>
