Item	Discussion	Action
CCC History	Carolyn introduces CCC timeline, with members invited to post notes of key events in CCC history	Carolyn is creating a document to record it all.
AGM Date	In future we want to have it before the start of the club year.	
Treasurers Report	276 inductions @ £10 each 2017-18 25 inductees became fully paid up members All in all we now have £6500 cash at bank 127 paid up members – well up on the previous year.	
Equipment Storage	Pete and Dave have made progress on this but need to finalise deal our deal with Hackney. The planned storage will be accessible out of GLL hours – any time the gate to the main road is open. Hackney plans to open access to the land where the storage is planned and this will take priority: any arrangements made for storage will be the subject of a legal agreement with Hackney council and may be temporary.	Pete to draft a document to Ian Holland outlining the club's commitments to Hackney.
Agreement with GLL	CCC doesn't currently have a written agreement defining our relationship with GLL. This year John R proposed one based on that used for the sailing club and shortly we will have some updates for him to review.	
Under 18s	CCC is interested in having 16-18s in the club – bridging the gap to the youth club. We will consider possibility of 16-18s dual membership of youth club and CCC.	Kate Dornan is investigating implications.
Polo	Ellie reported on participation at tournaments in Hull and London. It has been a particularly good year for beginner participation and for the women – four of whom are now in GB polo squad. We will need member support to host our Autumn tournament.	
Slalom	Slalom fun day successful though attendance was light.	
New Paddlers	John R is running a new course for beginner paddlers.	John will provide leaflets for inductees.
Trips	We saw some photos from this years trips, including Symmonds Yat, the Devon Surf Trip, Christmas on the river Lea, January Dart and assorted sea trips	
Hidden River	CCC supported the festival again with canoe rides on the new river and locals seemed to enjoy it again.	
Pool	Run at no overall cost to the club this year!	

sessions		
Bake off	Returned for a second time this year with much talent on show along with great skills in cake appreciation.	
Trips and training	Intro to paddling, intro to white water, mile end mill. Upcoming trip on the Medway....	Committee to discuss
Club coaches / leaders.	Several members expressed an interest in training. John R reminds us how BC training awards have changed and that the key qualifications for us are probably the 4 star leadership awards	New role of "Development Officer" to be created to take this forward.
Voting		
Member fee	Agreed £105	
Under 18s	In principle, yes. CCC will consider any specific proposals the committee might make in the light of further investigation.	
Aidan	Vote of thanks to Aidan for his contribution to the club as he is not present but does a lot of work behind the scenes.
